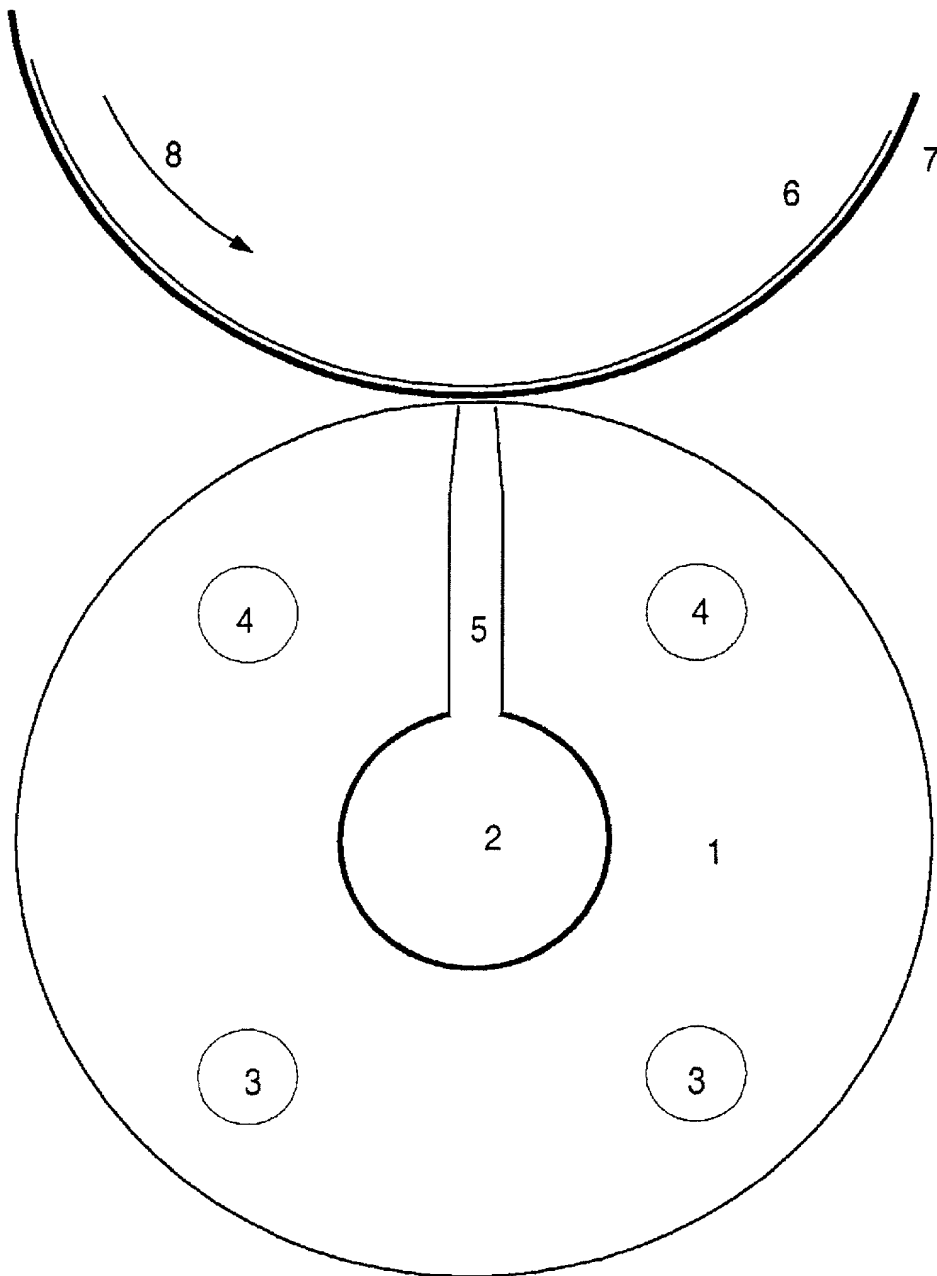

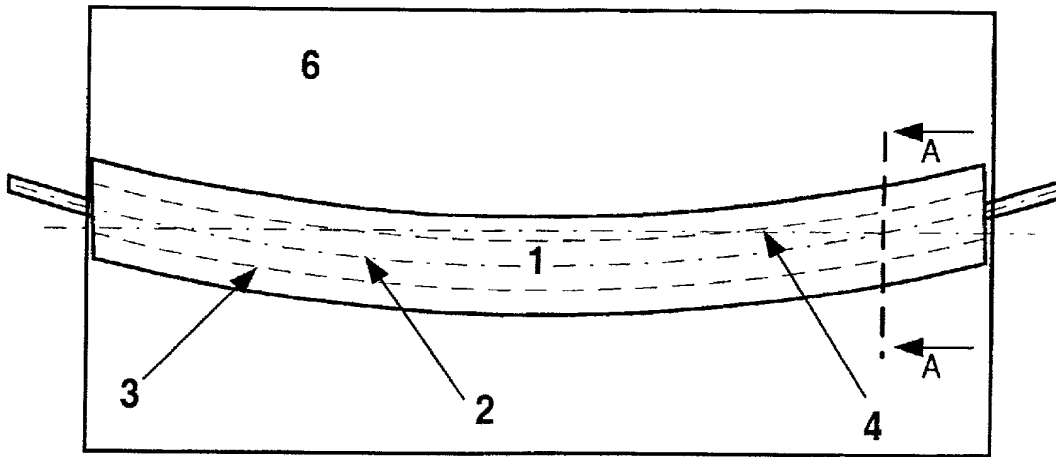

Fig. 2

Section A-A:

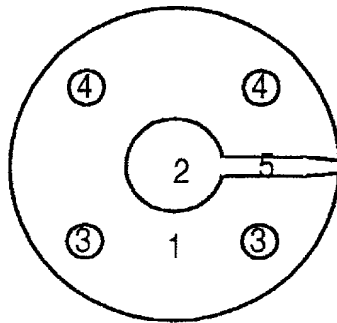

Fig. 3

The diagram illustrates a two-zone system. The upper zone is a large rectangle labeled '6' with a horizontal dashed line across its center. The lower zone is a wavy horizontal band labeled '2' at its center, which is further divided into three sub-zones labeled 'Zone 1', 'Zone 2', and 'Zone 3' from left to right. The wavy zone is bounded by thick black lines at its ends.
